

Christmas Poinsettias

Once again, we will honor and memorialize our loved ones by attaching their names to the leaves of our silk poinsettias . These plants will be re-used each year to beautify the Sanctuary and are not for taking home.

We do this to avoid waste and over consumption. Our loved ones will still be honored in the special Christmas insert, as well.

Proceeds from the Christmas Poinsettias go toward our Sanctuary decorating budget.

The deadline for poinsettia forms and checks (made out to "Lafayette Christian Church" with poinsettia in the memo) is Sunday, December 15.
